(c) Any qualified applicant who fails an examination and is refused a license or certificate may take another examination within the time limits set by the committee upon payment of an additional fee determined by the board after consideration of any recommendation of the committee.

(d) Nothing in this section shall be construed as a prohibition against any qualified applicant who has failed an examination from making further application for a license to practice physical therapy or for a certificate to act as a physical therapist's assistant when the application is accompanied by the fee determined by the board after consideration of any recommendation of the committee.

(b) Subject to IC 25-1-2-6(e), all licenses and certificates issued by the committee expire on the date of each even-numbered year specified by the Indiana professional licensing agency under IC 25-1-5-4. A renewal fee established by the board after consideration of any recommendation of the committee must be paid biennially on or before the date specified by the Indiana professional licensing agency, and if not paid on or before that date, the license or certificate becomes invalid, without further action by the committee. A penalty fee set by the board after consideration of any recommendation of the committee shall be in effect for any reinstatement within three (3) years from the original date of expiration.

(c) An expired license or certificate may be reinstated by the committee up to three (3) years after the expiration date if the holder of the expired license or certificate:

- (1) pays a penalty fee set by the board after consideration of any recommendation of the committee; and
- (2) pays the renewal fees for the biennium. If more than three (3) years have elapsed since expiration of the license or certificate, the holder may be reexamined by the Indiana Code 2015 committee. The board may adopt, after consideration of any recommendation of the committee, rules setting requirements for reinstatement of an expired license.

(d) The committee may issue not more than two (2) temporary permits to a physical therapist or physical therapist's assistant. A person with a temporary permit issued under this subsection may practice physical therapy only under the direct supervision of a licensed physical therapist who is responsible for the patient. A temporary permit may be issued to any person who has paid a fee set by the board after consideration of any recommendation of the committee and who:

- (1) has a valid license from another state to practice physical therapy, or has a valid certificate from another state to act as a physical therapist's assistant; or
- (2) has applied for and been approved by the committee to take the examination for licensure or certification, has not previously failed the licensure or certification examination in Indiana or any other state, and has:
 - (A) graduated from a school or program of physical therapy; or
 - (B) graduated from a two (2) year college level education program for physical therapist's assistants that meets the standards set by the committee. The applicant must take the examination within the time limits set by the committee.

(e) A temporary permit issued under subsection (d) expires when the applicant becomes licensed or certified, or approved for endorsement licensing or certification by the committee, or when the application for licensure has been disapproved, whichever occurs first. An application for licensure or certification is disapproved and any temporary permit based upon the application expires when the applicant fails to take the examination within the time limits set by the committee or when the committee receives notification of the applicant's failure to pass any required examination in Indiana or any other state.

(f) A holder of a license or certificate under this chapter who intends to retire from practice shall notify the committee in writing. Upon receipt of the notice, the committee shall record the fact that the holder of the license or certificate is retired and release the person from further payment of renewal fees. If a holder of the license or certificate surrenders a license or certificate, reinstatement of the license or certificate may be considered by the committee upon written request. The committee may impose conditions it considers appropriate to the surrender or reinstatement of a surrendered

license or certificate. A license or certificate may not be surrendered to the committee without the written consent of the committee if any disciplinary proceedings are pending against a holder of a license or certificate under this chapter.

(c) In administering the renewal of licenses or certificates under this chapter, the licensing agency shall issue a ninety (90) day notice of expiration to all holders of a license or certificate. The notice must inform the holder of a license or certificate of the requirements to:

- (1) renew the license or certificate; and
- (2) pay the renewal fee.

(d) If the licensing agency fails to send notice of expiration under subsection (c), the holder of the license or certificate is not subject to a sanction for failure to renew if the holder renews the license or certificate not more than forty-five (45) days after the holder receives the notice from the licensing agency.

(e) The licensing agency may require an applicant for a license or certificate renewal to submit evidence showing that the applicant:

- (1) meets the minimum requirements for licensure or certification; and
- (2) is not in violation of:
 - (A) the law regulating the applicant's profession; or
 - (B) rules adopted by the board regulating the applicant's profession.

(f) The licensing agency may delay renewing a license or certificate for not more than one hundred twenty (120) days after the renewal date to permit the board to investigate information received by the licensing agency that the applicant for renewal may have committed an act for which the applicant may be disciplined. If the licensing agency delays renewing a license or certificate, the licensing agency shall notify the applicant that the applicant is being investigated. Except as provided in subsection (g), the board shall do one (1) of the following before the expiration of the one hundred twenty (120) day period:

- (1) Deny renewal of the license or certificate following a personal appearance by the applicant before the board.

- (2) Renew the license or certificate upon satisfaction of all other requirements for renewal.

- (h) If the board makes a request under subsection (f)(4), the office of the attorney general shall conduct an investigation. Upon completion of the investigation, the office of the attorney general may file a petition alleging that the applicant has engaged in activity described in IC 25-1-11-5. If the office of the attorney general files a petition, the board shall set the matter for a public hearing. If, after a public hearing, the board finds the applicant violated IC 25-1-11-5, the board may impose sanctions under IC 25-1-11-12. The board may delay renewing a license or certificate beyond one hundred twenty (120) days after the renewal date until a final determination is made by the board. The applicant's license or certificate remains valid until the final determination of the board is rendered unless the renewal is:
 - (1) denied; or
 - (2) summarily suspended under IC 25-1-11-13.
- (i) The license or certificate of the applicant for license renewal remains valid during the one hundred twenty (120) day period unless the license or certificate is denied following a personal appearance by the applicant before the board before the end of the one hundred twenty (120) day period. If the one hundred twenty (120) day period expires without action by the board, the license or certificate shall be automatically renewed at the end of the one hundred twenty (120) day period.
- (j) Notwithstanding any other law, the licensing agency may stagger license or certificate renewal cycles.
- (k) An application for a license or certificate is abandoned without an action by the board if the applicant does not complete the requirements for obtaining the license or certificate not more than one (1) year after the date on which the application was filed. However, the board may, for good cause shown, extend the validity of the application for additional thirty (30) day periods. An application submitted after the abandonment of an application is considered a new application.
